ABOUT US

Bahalum Global in its business has been committed to delivering excellence and quality of service with flexibility

Bahalum Global, operate under strict corporate philosophies, with its vision, values and mission always in mind. From its base in Sri Lanka, Bahalum Global works in line with shipping across the world, always complying with national and international regulations and legislations. Our primary objective is customer satisfaction, and we are always attentive and responsive to any challenges that customers can face. we aim and strive to build business by developing strategic alliances to ensure continued growth. The following are outlines of how Transco Cargo operates and are used as indicators of our success.

The Company

- An independent flexible medium-size Sri Lankan owned limited liability company
- A strong niche market logistic provider for local & international logistics
- Developing long-term partnerships with all customers & stake holders

CEO'S MESSAGE

I am delighted to welcome you to Bahalum Global, a company that is existing in UPBC of trusted service to our many loyal customers.

As the CEO, my goal is to lead this company by upholding the values it has cherished in the past and by infusing new techniques available so that our customers continue to receive an uncompromised service to a world-class standard. I thank our loyal customers and reaffirm my commitment to service excellence and look forward to your continued support in the future too.

My team of professionals along with me believes and is committed to Bahalum's motto "Reach Your Loved Ones On Time", and will be eagerly awaiting the opportunity to share our expertise with you so that each experience with Bahalum Global will indeed exceed your expectations.
